## **Unbeatable summer rates at Airparks Gatwick**

Holiday Extras, the UK market leader in airport parking and airport hotels, is offering new unbeatable rates at Airparks Gatwick for this summer.

With the summer holiday season getting into full swing and the effects of the credit crunch starting to bite, these great new prices on airport parking at Gatwick are sure to be welcomed by consumers.

For midweek stays from 23rd June until 17th July at Airparks Gatwick prices start from only £49.95 for 8 days parking, and £89.95 for 15 days parking.

Airparks Gatwick is conveniently located for both terminals at Gatwick, with transfers operating 24 hours a day taking only 10 minutes to the North Terminal and 15 minutes to the South Terminal.

Part of the highly respected Airparks brand operated by Holiday Extras, Airparks Gatwick offers safe, secure airport parking. This car park holds the Park Mark award for safer parking and the AA Gold Secure Award. CCTV surveillance and regular patrols by security staff gives peace of mind when leaving your car and jetting off on holiday.

Optional extras at Airparks Gatwick include secure undercover parking if you prefer your car to be protected from the elements. There is also a Meet and Greet service for people who like to save time and be met at the airport terminal on their departure and when they return.

Airparks Gatwick is one of nine Airparks car parks operated by Holiday Extras at major airports in the UK including Luton, Birmingham, East Midlands, Manchester and Glasgow.
